## Worker Adjustment and Retraining Notification (WARN) Act Notices

### Detailed Listing of WARN Information by Company Name (C–D) — 2006

**Abbreviations:**

- **EDNS** - Employer Did Not State, i.e., the employer did not provide the information to EDD in the WARN notice submitted.
- **#** - Use of the number sign (#) indicates the number of employees laid off in each job title.

**Note:**

Due to space limitations, only a maximum of 50 job titles are listed under each Company WARN notice. Job titles are reproduced as submitted to EDD by the employer in the WARN notice.

A labor union or multiple labor unions may be listed under a Company's WARN notice, however, not all job titles may be covered by the union(s).
